

Older Adult Research Participants Needed!

Are You Eligible?

Are you over 60 years of age?

What to Expect if You Participate:

You will watch a short video, play a brief word search game, and answer some questions about the video.

Time: Only 15 minutes

[Click here to participate](#)

Benefits of the Research:

Your participation will be beneficial because it will increase our understanding of how we can improve memory accounts by older eyewitnesses.

Who are we?

Dr. Gawrylowicz (London South Bank University) and Dr. Mickes (UC San Diego & Royal Holloway, University of London).

More Questions?
